DESCRIPTION

Quick Paw premium cat food is adapted to cats with diverse tastes. Cats are individuals, just like people, so sometimes they have special wishes. Some prefer chicken, while others prefer fish. Specially formulated Quick-paw for cats contains specially selected ingredients of chicken or fish meat, fish meal, and fish oil of the first quality and at the same time guarantees a balanced amount of all necessary nutrients and safe quality. In each bag of Quick-paw food, you will find a selective combination of proteins, carbohydrates, fats, and other nutrients needed by each type of cat. Our high standards of testing, monitoring, and control as well as a specially designed formula ensure top-quality cat food. The special composition of vitamins and minerals provides all the necessary supplements such as BIOTIN - for shiny fur and healthy skin / TAURINE - for eye and heart health / L CARNITINE - for optimal weight maintenance / DL METHIONINE - for urinary tract health / A/D3/E - vitamins and minerals for a balanced diet.
